

POP UP CARD TEMPLATE 02

Remember: If you are going to create your text & graphics in Photoshop, do that first before you print and cut out your card template. If you are going to hand-draw your text & graphics, print out the template first.

STEP 01:

This area will be the inside top part of your card when you are finished.
Place your text & graphics here.

STEP 01:

Make sure your text & graphics for the top half stay above this arrow or the pop-up characters you add later will cover it up.

STEP 02:

Cut around this dotted line to create your card size. Final size will be 8.25" Tall x 5.5" Wide.

STEP 03:

Fold card in half here.

STEP 04:

While the card is still folded in half, make four cuts on the dotted lines.

STEP 01:

This area will be the inside bottom part of your card when you are finished.
Place your text & graphics here.
